PLANT A TREE WITH BTCV

BTCV is the country's leading practical conservation organisation involving over 60,000 volunteers in practical projects to protect the environment.

The BTCV needs YOUR help! In October 1988, BTCV launched a three-year national campaign, the Million Trees Campaign, an ambitious project to plant and care for one million trees. The campaign is a direct response to the Great Storm of October 1987. Here is your chance to do your bit!

On SUNDAY 15TH JANUARY, the BTCV with be joining forces with the Parish Council and the County Council to plant almost 1,000 trees in a Bar Hill planting scheme. We need your help to plant them.

BTCV with provide the supervision and a number of tools; the County Council are providing the trees. All you need is to bring yourself, preferably with family and friends, and a spade if you have one.

We will be meeting at 10.00 a.m. OPPOSITE WATERMEAD.

Cambridgeshire is the least wooded English shire County (less than 2% of the land surface). Why not do something different and give nature a helping hand?

It would help me if you could let me know whether you will be able to join us, the telephone number is given below.

Tim Braund, BTCV Cambridgeshire Field Officer.
Telephone Cambridge 881684 for further details.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident,

The initials T.V.E.I. mean little to many people in Cambridgeshire but they play a vital part in extending education for the 14-19 year olds across the County. The Technical and Vocational Education Initiative was launched 5 years ago in Cambs. with a grant of £5 million from the Government sponsored Manpower Services Commission. Its objective to extend practical experience to back up the theory of learning using modern technology. A pilot scheme has been running in the Peterborough area which is to be extended to all secondary schools in the next three years.

In the 12 months since the storm the C.C. in conjunction with other organisations has started a programme of tree replacement. During the coming winter 35,000 trees are expected to have been replaced with some 4,000 extra trees being made available to D.C's, these will be delivered in the autumn. The replanting consists of broad leaved trees mainly beech which is a characteristic of Cambs.

Cambs is one of the fastest growing counties in the UK, its population up by 15% against the national average of 1%. Much of this growth was in Peterborough, Huntingdon and South Cambs. The Fenland having only marginal growth. These figures are in a comprehensive document detailing figures for all Parishes, Wards and Districts with population statistics for the last 10 years.

The rapid growth of Cambs as an economic centre and in housing development requires the C.C. to plan carefully for the coming decade. A working group has been set up to study the future challenges the Council must face with the rapidly increasing population and environmental changes and decide how best to provide quality services and value for money for the ratepayer. It also looks at the impact of the European Community and likely skill shortages which will occur as well as their response to new legislation. The working group will report to the Policy Committee in the New Year.

The County's Library and Museum Report 1988 describes the many activities of the service and makes interesting reading. Book issues in Cambridge and other areas have decreased although there is a rise in usage of the information service. Total cost of the library service exceeds £1 million, 23% is spent on new material and there are 288 full time employees.

If anyone wishes to contact me either telephone 'Careline' on CH 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton. In the meantime I would like to wish you all a very Merry Christmas and a Happy and Prosperous New Year.

Yours sincerely,
J.E. Reynolds

ROYAL BRITISH LEGION

Most of our thoughts and efforts this last month have been concerned with the Poppy Appeal and we are very gratified to report the total amount achieved this year is £2,388.9¼. This big increase over previous years is due in the main to Mrs. Eva Lee, ably assisted by her band of willing helpers, and the publicity afforded by the TV Look East team and the Bar Hill News.

The committee and members of RBL wish to express their grateful thanks to the residents of Bar Hill for their generous support and to the poppy sellers for the hours of willing help. Thanks also to the Management of Tesco for the ground used as a Field of Remembrance and many other kindnesses, and the manager of Fourboys Newsagents, for the use of their empty shop.

We are meeting on December 22nd at the Trinity Foot for a Christmas Dinner.

Our next monthly meeting will take place at the Farmhouse on December 8th at 7.30pm

Many residents we have talked to while selling poppies have shown interest and inclination to join us. We extend a hearty welcome to any intending members to complete the following strip.

SCHOOL NEWS - COMMUNITY EDUCATION

From the beginning of the new year Community Education classes at the school will become part of the Community Patch provision and administered by Pete Smith from the College.

Pete and I very much hope that Bar Hill can benefit from this and as a first step, we wonder if you have any ideas about new classes. We cannot promise to meet every request but we are prepared to try.

So if you have any ideas for classes please ring myself or Jennie Barker at School on 80332, or Pete Smith (30373).

Moreover, I am interested in helping clubs or groups so if you and one or two others have an interest that is not being catered for in Bar Hill why not have a word. We'd like to help.

BAR HILL COLTS F.C.

We have very sadly withdrawn our Under-15 team from the Colts League. This was because it was impossible for their manager, John Baker to continue without regular help fromparents. John had struggled on for over two years, with minimal help and the Club as a whole is very grateful to him for the time and effort he has put in.

We now need more players for the under-13 team to guarantee the survival of this team. The boys have to be committed to training and the Sunday matches. If they don't bother to turn up and don't contact the managers it lets the whole side down.

On a happier note we are delighted with the support we get now we are playing on the village green, it really helps the boys.

The home fixtures for December and January are:-

PLAY EQUIPMENT AND SEATING UP DATE

We have had a very good response from local organisations and firms. £475 has been donated to us so far. We have been astounded by the generosity of the small organisations, REMEMBER that no donation is too small. Our aim is to raise enough funds in this concerted effort of all village members to enable us to complete the play area for the Spring of 1989. To give you an idea of the prices incolved a spring animal costs around £300; a small swing unit costs £200 plus seats £80; and a seat for people to rest on or just to watch the children at play £150 each.

Money donated so far has come from:
Ashcroft Vetinary Surgery,, Q-Arc, Nat. West Bank, Anne Norman, 8 o'clock Club, N.W.R., Country Cattery, Cyril Ridgeon (Cambridge), Philips Telecom, Melanie, Mr. J. Cullum, Rayners Repairs, Kitchen Range, Wilcon Homes, C. & A., Mr. R. J. Cook (Dentist), J. Kilborn, Tea at Ten, Toy Library, Under Ones.

Can you include your organisation's donation in next months total? Wouldn't it a great christmas present for the children of Bar Hill if the Residents Association can ask the Parish Council to order THREE spring animals, from the donations received from village organisations. L. and C. Coppersmith have promised us one animal and you can see from our totaliser we are well on the way to our third.

Contact Christine Goodman on 80762 for information.

GUY FAWKES COMPETITION

Congratulations to Philip Willis and Joshua Hodges for being the First Prize winners (it really was very good), and also to James Clarke (second prize) and Andrew Targell and Paul Smith (third prize). In fact well done to all those who entered a Guy for the competition, we had 24 in all, it was an excellent turnout.

Our thanks go to Martin Avery, John Cullum and Colin Burlton for all their hard work setting up the fireworks and the arena during the day and for giving us such a spectacular display in the evening!

We also thank St. John Ambulance who were kind enough to send an ambulance and crew to attend our display, and to everyone who helped in any way.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 17th November at 7.30 p.m. in the Old Farmhouse.

PLAYING GOLF ON THE VILLAGE GREEN

Owing to the considered dangers of practising golf on a public amenity area, the Parish Council has decided to ban golf from being played on the Village Green. There have been frequent telephone calls/letters of complaint from residents to the Clerk over the past few years and it was felt that this ban should be made before an accident occurred.

NEW IDEAL HOMES

A. Green and the Clerk are still pursuing the accuracy of plans supplied by New Ideal.

MOUND ALONG SAXON WAY/GAS SUB-STATION

It was agreed that a mound should be made at the front of the Village where recently fish sellers had parked. The mound should deter such hawkers in the future.

VIKING WAY

A. Green reported that the County Council had promised to prepare a quoation for up-grading Viking Way which would be presented to the next Parish Council meeting.

FOOTPATHS TO BUS STOPS

County Councillor Reynolds recommended that the Clerk write again to the County Council asking for the provision of footpaths to the bus stops. Also to be mentioned in this letter is the provision of a white line down the centre of the road all around the perimeter road.

A LETTER FROM YOUR DISTRICT COUNCILLOR

Guy Fawkes and Bonfire Night this year bought back memories of the same day last year when I was completely immersed in Election Day. I met so many people during those three weeks leading up to the Election and found everyone so warm and friendly in their attitude to me as I knocked on doors in those winter evenings.

As you are probably aware, I was then re-elected unopposed in May of this year and therefore elected to serve Bar Hill, Oakington and Westwick for the ensuing four years.

This past year has been an eventful one for me and I have found that I have grown to enjoy my involvement with the District Council more and more as the year has passed.

Presently I am a member of two Committees on the Council - the Housing Committee and the General Purposes Committee.

The Housing Committee considers the housing needs of the district and in particular advises the council on the purchase of land and the provision of housing accommodation. The Committee also arranges for the repair and maintenance of existing council housing, arranges for rent collection, and deals with any other housing matters not covered by any other committee.

The General Purpose Committee is, as its name implies, a committee that covers matters that do not fit neatly into other committees. This involves considering any proposals relating to local government re-organisation, exercising all powers relating to Elections, considering and advising the Council on matters of internal organisation and many other aspects of Council organisation.

Both committees are stimulating to be involved with and very diverse in the subjects that they cover. I hope to continue to be very involved in all aspects of Council work and to represent the people of Bar Hill of effectively as I can.
